Product Requirements Document: Lighthouse Mobile Returns

Document Control

Field	Value
Document ID	PRD-LH-003
Product	Lighthouse Mobile Returns
Author	Daniel Okafor
Organization	Meridian Home Goods
Version	0.9
Status	In Review

Overview

Lighthouse Mobile Returns extends the customer self-service portal to phones. Customers photograph a damaged item, choose a refund or exchange, and receive a QR code that any carrier drop-off point can scan. The release targets the 41% of portal sessions that already come from mobile browsers.

Epics

ID	Epic	Owner
EP-01	Photo-based damage claims	Tom Brennan
EP-02	QR code return labels	Daniel Okafor

User Stories

ID	User Story	Priority	Epic	Owner
US-01	As a customer, I want to photograph a damaged item so that I do not need to describe the damage	High	EP-01	Tom Brennan
US-02	As a customer, I want an instant refund decision for items under $50 so that I am not kept waiting	High	EP-01	Arjun Mehta
US-03	As a customer, I want a QR code instead of a printed label so that I can return without a printer	High	EP-02	Daniel Okafor
US-04	As a support agent, I want to see the damage photos in CareDesk so that I can resolve disputes	Medium	EP-01	Mei Lin Chen

Acceptance Criteria

ID	Criterion	Verifies
AC-01	Photo upload succeeds on 3G connections within 15 seconds	US-01
AC-02	QR codes are accepted by all four contracted carriers	US-03

Open Questions

ID	Question	Owner
OQ-01	Does the instant refund limit need Finance approval per region?	Arjun Mehta
OQ-02	Which carriers support QR drop-off in rural areas?	Tom Brennan
